If the number of candidates, who are nominated for election to the board, when the period for nominations to be returned has closed, is equal to or less than the number of members to be elected to the board at the election, then the Association will send notification to the unit owners pursuant to NRS 116.31034(5). The NRS 116.31034(5) Notice will state that the Association will accept nominations for thirty (30) days, and when that period for nominations to be returned has closed, if the number of candidates who are nominated for election to the board is still equal to or less than the number of members to be elected to the board at the election, the Association will not send out a ballot, the nominated candidates will be deemed duly elected no later than thirty (30) days after the date of the closing of that period for nominations, and the unit owners will be sent notification that the nominated candidates have been elected to the board. Therefore, if you want to run for election to the board, please return your nomination form promptly so that the Association receives enough nominations to avoid the extra cost of having to send out the NRS 116.31034(5) Notice.

I understand that if elected, I am required by Nevada Revised Statute 116 to certify, in writing, that I have read and understand to the best of my ability, the governing documents of The Shadow Mountain Ranch Community Association and NRS 116 within 90 days of election.
