If a person is not eligible to be a candidate for or member of the executive board pursuant to any provision of NRS 116, the Association must not place his or her name on the ballot and must prohibit such a person from serving as a member of the executive board or an officer of the Association.

Not less than 30 days before preparation of a ballot, the Association shall cause notice to be given of each unit owner's eligibility to serve as a member of the executive Board. The Association has determined that if the number of candidates, who are nominated for election to the board, when the period for nominations to be returned has closed, is equal to or less than the number of members to be elected to the board at the election, the Association will not send out a ballot, the nominated candidates will be deemed duly elected at the meeting at which the ballots would otherwise have been counted. If there are more open positions than there are candidates, the Board has the right to appoint to fill the vacant position after the election. If the number of candidates is greater than the number of members to be elected, a ballot will be mailed to the membership.

I am requesting that my name be placed on the ballot for the election of Directors for the 2021 Annual Election. I understand that if elected, I am required by Nevada Revised Statute 116 to certify, in writing, that I have read and understand to the best of my ability, the governing documents of the Shadow Mountain Ranch Community Association and NRS 116 within 90 days of election. I also understand that if elected, I will be a fiduciary of the ASSOCIATION and will act in my capacity of a Director to protect, maintain and enhance the Association on behalf of the entire Membership, and refrain from all conflicts of interest. I understand that the Association may summarize the above, in its discretion, for inclusion in a distribution of the list of candidates.
